# BLOCK 3: WHAT HAPPENED?

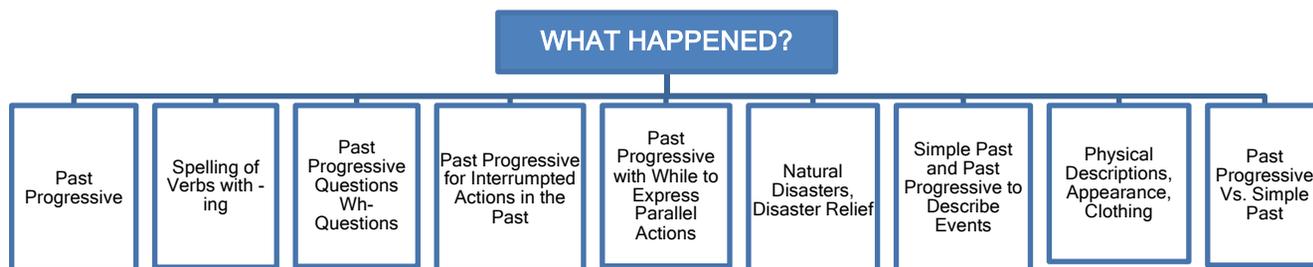

## INTRODUCTION TO THE BLOCK

The purpose of this section is to teach you how to demonstrate behavior that reflects institutional values in the interaction with the teacher and his peers and how to express parallel actions and use the past progressive to express actions that were occurring at a particular point in the past. You will also learn how to distinguish between a past progressive and a past simple by using the Wh/questions.

## BLOCK OBJECTIVE

Use the past progressive to refer to situations that happened at a specific time in the past and express parallel actions through the practices of grammatical structures.
