## PRESENTATION OF THE COURSE

The English language is greatly used on a global scale in various areas of current social relations. It is crucial with regard to communications, and therefore necessary for a complete training as a professional.

English I aims to provide you with the necessary tools to help you communicate entirely in English from the very beginning. It pretends to facilitate your approach to this language, through your active participation within the language functions, associated mainly to everyday contexts. This means that its fundamental contribution has to do with using what you learn during the course in real-life situations. It also encourages you to use as many supplementary materials as you can in order to enrich your English knowledge.

What benefits can you obtain after taking this English course? ¿Why learn English? In the following video, students from a variety of nationalities give you some answers.

La lengua inglesa posee gran utilidad a escala global en los distintos ámbitos de las relaciones sociales actuales. Es crucial en lo referente a las comunicaciones, y por ello, indispensable para tu formación integral como profesionalista.

El presente módulo tiene la finalidad de proveerte de las herramientas necesarias que, desde ahora, te ayuden a comunicarte totalmente en inglés. Busca en lo mayor posible facilitarte el acercamiento al uso del idioma en cuestión a través de tu participación activa dentro de actividades cuyas funciones del lenguaje estarán asociadas fundamentalmente al contexto de la cotidianidad. Esto quiere decir que su aportación principal tendrá que ver con que lo aquí aprendido te sirva en situaciones reales. Asimismo te invita a hacer uso constante de todos los materiales suplementarios que estén a tu alcance y que mejor enriquezcan tu conocimiento de inglés.

¿Qué ventajas obtienes al aprender los temas contenidos en este curso? ¿Por qué aprender inglés? En el siguiente video, por ejemplo, alumnos de nacionalidades variadas ofrecen algunas respuestas afines.

## WORKFLOW

As mentioned previously, during this course you will develop several abilities that can provide you with the means to succeed in the following courses you will take throughout your career. It is quite important to show attitudes such as responsibility and commitment during this course in which you will do different activities through the units. These will be integrated on your activities and exercises portfolio to demonstrate what you have done and learned. You will also be asked to do an integrated activity which has a percentage on your final evaluation. Each activity will be sent by the indicated means, so that it can be revised and given feedback

Cada unidad consta de los siguientes elementos:

- Contenido Temático: Presentación y análisis de conceptos, fundamentos teóricos, implicaciones y aplicaciones del tema al que se refiere la unidad correspondiente.
- Controles de Lectura: cuestionamientos específicos acerca de las lecturas realizadas bajo un sistema de opción múltiple y/o Falso y Verdadero, los cuales permitirán comprobar que has revisado y leído cada una de las lecturas que te han sido asignadas. Recuerda que pueden tener valor en tu evaluación.
- Actividades: Aplicación de los conocimientos teóricos adquiridos las cuales son evaluables bajo listas de cotejo específicas y adquieren una ponderación en la evaluación.
- Ejercicios: prácticas que ayudan a reforzar el conocimiento para un mejor resultado en las evaluaciones. Aún y cuando no tienen un porcentaje de evaluación dentro de la unidad es **INDISPENSABLE** que aquellos que se indiquen en el portafolio de Actividades y Ejercicios sean integrados de acuerdo a la retroalimentación brindada por el facilitador.
- Evaluación por unidad: consta de una serie de reactivos que se evalúan para comprobar el conocimiento adquirido dentro de la unidad.
- Las actividades y ejercicios que se presentan dentro del portafolio de actividades deben estar corregidas de acuerdo a la retroalimentación brindada por el facilitador.
- Antes de terminar tu materia deberás responder una evaluación final que comprende de los contenidos de toda la materia.
